Free Speech For People & Mi Familia Vota Launch 14.3 Campaign with Banner Drop

The launch falls on the 14th Amendment's 158th anniversary, and calls for California Secretary of State Shirley Weber to bar Trump from the ballot

Los Angeles, CA – On Thursday, marking the 14th Amendment's 158th anniversary, Free Speech For People (FSFP) and Mi Familia Vota will kick off their California [14POINT3 campaign](#), urging Secretary of State Dr. Shirley Weber to uphold the 14th Amendment and keep former President Donald Trump off the ballot with a banner drop over the 405 Freeway.

Enacted in the wake of the Civil War, Section 3 of the 14th Amendment disqualifies from public office any person who has taken an oath to uphold the U.S. Constitution and then engages in insurrection or rebellion against the United States, or gives aid or comfort to its enemies.

On January 6, 2021, former President Trump incited and engaged in a violent insurrection, attacking Congress and our nation's Capitol, in an effort to overturn the results of the 2020 election. As a consequence, Trump is ineligible to appear on the presidential ballot because he does not meet the constitutional requirements for the office of president.
